

GRAB TIPPER HIRE SERVICES

A modern fleet comprising of:

- 1 x 4 wheel Tipper Grab
- 6 x 6 wheel Tipper Grab
- 2 x 8 wheel Tipper Grab

These versatile vehicles allow an alternative to the conventional skip used on sites in a more cost efficient way. Capable of accessing difficult areas and of working over fences and walls also allows aggregates to be delivered at the point where they are needed.

These vehicles are also used for the delivery of bulk bagged aggregates and bagged waste removal.
